Terms of Payment

Thank you very much for your order.

Unfortunately we can execute orders from foreign countries only in two ways of payment:

- Advance Payment or
- Cash on Delivery (COD)

In both cases you have to pay additional costs !

Advance Payment

In this case you have to calculate the total amount to remit it to our company ***PalmTec*** as follow:

Amount for the ordered goods	xxx,xx EURO
Packing and Postage for European Countries, Zone 1, max. 4 kg, insurance until 511,00 EURO	19,50 EURO
Bank Fees, for European Countries, Zone 1	3,00 EURO
Net amount	xxx,xx + 22,50 EURO
German value-added tax (V.A.T.) of the net amount: 16%	yyy,yy EURO
<i>Total amount to remit</i>	<i>eee,ee EURO</i>

Only if you are a company with a "**VAT intra-community identification number**" you don't have to pay the German VAT, so you only have to remit the Net amount.

In this case we need your VAT intra-community identification number at your order.

We will send the ordered goods as a normal parcel. If there are any custom or import problems in your country, you have to care about them.

Attention !

In your country you ***have to pay an additional COD-Fee*** to your lokal postman: fee for the remittance of the amount from your post to Germany.

This fee depends of the country and may be very high !!

In Great Britain there is NO COD possible ! So only Advance Payment is possible !

European Countries of Zone 1:

Countries of the European community and Switzerland, Poland, Slovakia and Czechia.

With kind regards

Your PalmTec-Team.
